

Group Membership Application 2022

£660

A maximum number of 5 nominees may be registered for each Group Membership. Each nominee will receive membership benefits agreed by the WMSoc Council – currently these include membership rates at WMSoc conferences and training courses, and also regular mailings of **waterline** journal.

Each nominee remains a Nominee Member of the WMSoc for the duration of employment with the company specified below. Group Membership is for one subscription year only, renewable on January 1st, and will be reviewed in line with all subscriptions annually in September.

This does not mean your company is registered - WMSoc membership is an INDIVIDUAL PRIVILEGE.
